

Kings Hall Rehearsal Schedule – REVISED!

We are rehearsing children 6 at a time and are allowed to have a further 6 waiting in the Winter Gardens area. This means once you have finished your slot, you have to leave the building. If you have a gap shorter than 30mins between rehearsals, we are able to find you a waiting area.

Children aged 7 and under are allowed ONE adult to accompany them to their rehearsal. Unfortunately, we can't accommodate siblings.

All children under 16 need to be dropped off at the Winter Gardens entrance and collected from the Kings Hall entrance promptly. (5mins before and after time slots).

If you will not be collecting your child from the theatre, you will need to send them with a parental consent slip.

Remember to bring your completed Parental COVID Health Declaration form with you. We cannot admit you without it. If you have rehearsal slots on more than one day, this will need re-signing.

Please note there are no lessons in the studio show week.

Sunday
